Healthcare Project+ Change Association

ICS MEMBERSHIP GUIDE

**We help health and care deliver projects and change to
improve services for all**

Build your skills and knowledge with ICS Membership

INTRODUCTION & MISSION

BUILDING HEALTHCARE CAPABILITY TOGETHER

Everyone gets involved in projects and change, from leadership decision makers such as the Executive Sponsor and Clinical Lead, project and change professionals, to the accidental project manager, and all of them need the knowledge and skills to deliver their roles effectively.

We are the professional association for project, programme, portfolio and change management practitioners working in Health and Care, through education, training, standards of best practice, and community networks.

We can help you build the skills you need at all levels and develop an effective organisational approach to managing complex projects and change in your area of responsibility, whether that is Team, Trust or ICS level. There are options for all.
